# Invitation

On behalf of the organizing committee, we would like to welcome all of you to ACASEA 2017. It is a great pleasure and honor for us to host the 9th Academic Congress of Asian Shoulder and Elbow Association in the enchanting India. It will be an opportunity of a lifetime to experience Mumbai, the *maximum* city of India.

ACASEA is a triennial congress, established in Nagasaki, Japan in 1993, where experts from all over Asia gather to share their knowledge and experience. Asia being the continent of this century let us join hands to assert our rightful position as the rising giant of the world. We would like to invite participants from all the Asian countries and beyond. Your active participation in large numbers is what will make this meeting a great success. We promise to provide you with a plethora of clinical material with something to gain for each one of us.

The main theme of ACASEA 2017 is “sharing clinical experiences”. The committee has compiled an outstanding program, with one whole day dedicated to shoulder fractures and arthroplasty. We have some special guests from outside Asia to help us gain expertise.

We are certain that ACASEA 2017 will be a memorable event once you experience the heritage, hospitality and the warmth of Indian culture.

Rest assured you will go back rejuvenated both academically and spiritually. We look forward to seeing you all on November 10, 11 & 12, 2017 in Mumbai, India.

**Dr. Sanjay Desai**  
*Organising & Scientific Chairman*

**Dr. Roshan Wade**  
*Organising Secretary*

**Dr. Parag Munshi**
