

SYMBIOSIS CENTRE FOR HEALTH SKILLS (SCHS) A Constituent of Symbiosis International (Deemed University)

OFFERS YOU AN OPPORTUNITY TO UNDERTAKE

CADAVER ARTHROPLASTY COURSE

Cadaveric dissection is the best mode of learning before embarking on live surgeries as it gives the feel of human tissues. This specially designed course is a hands-on educational program providing an in-depth experience in shoulder arthroplasty, covering critical topics pertaining to shoulder arthroplasty. Internationally acclaimed faculties who travel around the globe for conduct of cadaver courses will be conducting this course. At the end of this course participants will be equipped to perform shoulder arthroplasty.
